June 12, 2020

Dear Gabriel J. Rubin,

I read your column in The Wall Street Journal (June 6-7, 2020) about Kris W. Kobach, and the concerns that the National Republicans have with him.

It's about time! Hopefully they will stop making me out to be a raging lunatic and start believing my story about Kobach. Now I still sit rotting in prison after 14 years for conspiracy to commit wire fraud crimes that I am innocent of. I passed a polygraph test about Kobach, and his former gay lover Brian J. Namway, but they still keep covering up for him. I will be released from prison on August 12, 2020 and will be available for interviews, and additional polygraph tests regarding my claims about Kobach.

My problems with the government started during the 80's and 90's after having a personal problem with Joe Biden. I operated DuPont Model Management with Catalina Lisenring, the daughter-in-law of Julia duPont Lisenring. At the time Catalina was married to Edward Lisenring, who was a good friend of Joe Biden.

During the 80's I published an article in a company newsletter about Biden's first presidential campaign paying Catalina \$1000's for photography work (Catalina is also a photographer). Biden went crazy and contacted me multiple times with threats, including violence. At the time Biden was having an affair with Catalina and would frequently come to our office at 11 DuPont Circle in DC and have sex with Catalina.

After being threatened by Biden, the FBI, Postal Inspectors, and the Federal Trade Commission (FTC) started terrorizing me for years. Everything about Biden was mentioned in depositions that I had to give to the FTC in DC during the 90's and to the federal prosecutors for the Eastern District of Pennsylvania. Copies of the newsletters were filed with the court and are available at the clerk's office.

Because of the virus the prison has been locked down since April 7, 2020, and I do not have access to all of my legal work. I am sending you a few documents that I do have available. You can contact me at the address below.

Sincerely,

P.S.: Can you provide Rep. Roger Marshall with a copy of this letter.
